Convert your Word file to PDF file and submit the PDF file on the website of TOCAT8 (<http://www.shokubai.org/intern/tocat7>). To avoid garbled printout, all the fonts should be embedded in the PDF file, which can be checked in the property of document. The simplest way of embedding fonts is to select "High Quality" (or "Ko-hinshitsu Insatsu" in Japanese) in property when you make a PDF file (at the same time the quality of pictures and drawings is kept).

The deadline of submission is November 30, 2017.
